

# Get Started with the e-Gift Card Program!

## Step 1

**Download** the free UGO Wallet app here

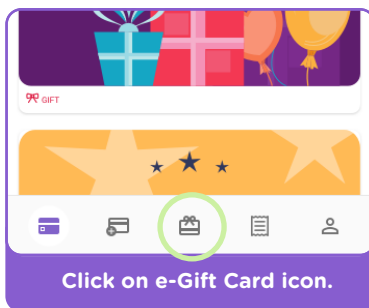

or scan this QR code

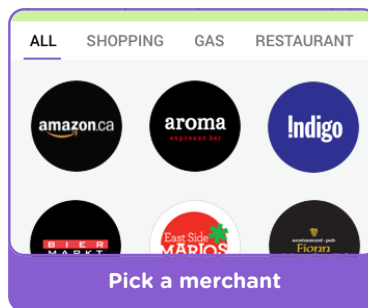

During **registration** enter promo code

## Step 2

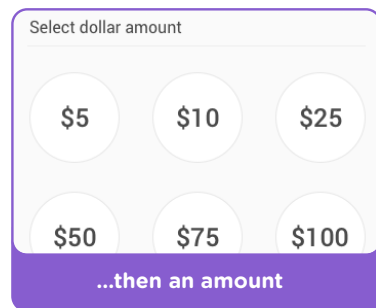

### Buy e-Gift Cards

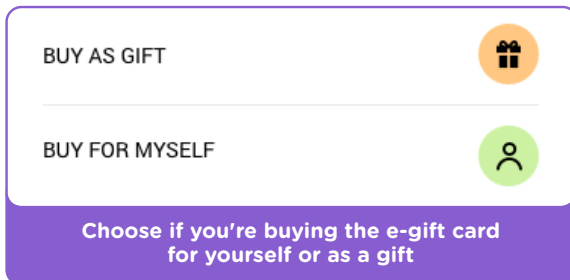

Click on e-Gift Card icon.

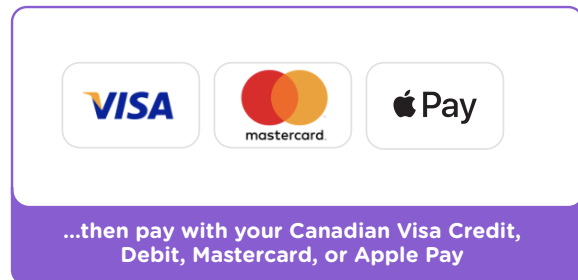

Pick a merchant

...then an amount

Choose if you're buying the e-gift card for yourself or as a gift

...then pay with your Canadian Visa Credit, Debit, Mastercard, or Apple Pay

If you bought the e-gift card for yourself, it will automatically appear in your **UGO Wallet** – plus you'll get a confirmation email as backup. If you bought it for someone else, they'll get it by email and you'll get an email receipt

## Step 3

### Use Your e-Gift Cards

- Click on the e-gift card you'd like to use in the app, then scan the barcode.
- In case of any trouble scanning, enter the number manually
- If shopping online, enter the e-gift card number when you check out
